Mobile Usability issues detected in https://yourcarintocash.com/

To the owner of https://yourcarintocash.com/:

Search Console has identified that your site is affected by 2 Mobile Usability issue(s). The following issues were found on your site.

Top Issues

- Clickable elements too close together
- Text too small to read

We recommend that you fix these issues when possible to enable the best experience and coverage in Google Search.

Fix Mobile Usability issues
